

# We're hiring!

Hi! 🙌 You're looking for a career that will give you the opportunity to grow and learn.

We're looking for talented applied scientists and software engineers who will join us on the journey to revolutionize AI. Could we be a fit?

Tell me more about Gauss Labs.

Gauss Labs launched in 2020 to create robust and scalable AI technology to solve the most complex and fundamental challenges industry faces.

We aim to make enterprises more efficient, machines more intelligent, and humans more human.

Wow! 😲 That sounds interesting. I want to learn more!

Check us out by attending **Gauss Labs' info session on December 2, 3:00 PM!**

That's soon! Where will it be?

It will be virtual on Zoom.  
👉 Scan this QR code to register for the session.

Our CTO and engineers will attend to tell you all about how we aim to become the world's most trusted industrial AI innovator.

If you have more questions, contact us at [recruiting@gausslabs.ai](mailto:recruiting@gausslabs.ai)

Ok. I'll check it out right now! 👍
