

Department of Nuclear & Quantum Engineering, KAIST

KAIST-NQe NEXGEN (Next Generation Nuclear Engineer)

Summer Camp 2015 Application Guidelines

This summer, KAIST NQE is offering a new international educational program, called Next Generation Nuclear Engineer (NEXGEN) Summer Camp. It will be an exciting opportunity for international students in nuclear engineering to learn about nuclear energy development in Korea and to network with peer students from various countries and continents, such as USA, UK, France, Italy, Germany, Sweden, China, Japan, Korea, etc.

The participating students will be engaged in Student Design Competition related to nuclear energy and radiation engineering (for a cash prize). The NEXGEN Summer Camp will also provide an opportunity for the students to experience Korean culture and hospitality.

Date	2015. 7. 27. (Mon.) ~ 2015. 8. 7. (Fri.), 10:00~16:00
Venue	KAIST, Daejeon, South Korea
Documents for Submission	1. Application Form [Download : Homepage, http://nuclear.kaist.ac.kr/] 2. Copy of Academic Transcripts Submit it by e-mail : prlim@kaist.ac.kr
Application Period	2015. 5. 6. (Wed) ~ 2015. 6. 5. (Fri.), 14:00
Program	■ Student Design Competition – 2 person team competition ■ Cash prize: 1st place: \$2,000; 2nd place: \$1,500; 3rd place: \$1,000; 4th place: \$500 ■ Field Trip includes visits to nuclear power plant, Doosan Heavy industries, Korean national research infrastructure as well as cultural tours.
Financial Support	※ Your housing cost will be covered by the program ※ Personal allowance of \$300 ※ Airplane tickets are not covered
Number of Selectees	20 applicants
Q&A	KAIST Nuclear and Quantum Engineering Department Office (E-mail: prlim@kaist.ac.kr)
