

## 2018 KOEA Annual Forum - Sponsorship Invitation

Dear KOEA members and guests,

The Korean-American Oil & Gas Engineers Association (KOEA) was founded in 2003 to promote the professional advancement of Korean-American engineers, geologists, and scientists in Oil and Gas industry, provide opportunities for KOEA members to exchange experiences and industry update, and help young professionals and students through various KOEA activities including mentorship programs and forums.

The KOEA Annual Forum has been held in Houston during the OTC week in May and brought together more than 200 participants from the U.S. and Korea. This year the KOEA Forum will be held on May 3, 2018.

You can find more info about KOEA activities in our latest Newsletter (<https://koea.us/newsletter>), and we will keep you up-to-date on the status of preparation for the 2018 Annual Forum via KOEA website <http://koea.us/>.

In order to hold KOEA activities, we are looking for support from you in the form of financial sponsorship and participation in our annual events. All KOEA activities rely on sponsors' support. All sponsorship will have benefits summarized below depending on the sponsorship level:
