You will also practice reading, writing, and listening.

You, the students, will decide the topics of the classes. The instructor will teach language needed to talk about the topic in a **structured way**.

This class is best for people who have at least some knowledge of English, but all levels are welcome!

Some possible topics are:

- Diversity in College Station
- Communicating with Your Child's Teacher
- How to Start a Conversation in English and Keep it Going
- Helping the Environment
- How to Make a Complaint at a Store or Over the Phone
- How to Make an Appointment
- What is That Called?
